July 23, 2026

On July 23, 2026, federal and state law enforcement agencies executed multiple search warrants throughout Muskegon County as part of an active investigation involving the collaborative efforts of the Federal Bureau of Investigation, Drug Enforcement Administration, Internal Revenue Service, and Michigan State Police. These agencies, as well as the Muskegon County Prosecutor's Office and the United States Attorney's Office for the Western District of Michigan, are committed to transparency with the public, who undoubtedly have and will have many questions about today's law enforcement activity. However, this is an active financial and drug crime investigation, therefore our ethical duties, as well as protecting the integrity of this investigation, limit our ability at this time to disclose specific details. An investigation of this size and scale takes time and we appreciate your patience as we thoroughly investigate any potential violations of state or federal law.
